Deputy Commissioner,

Kolar District.

To L. Anantasami rao Esquire, B.A.,

Secretary to the Government of Mysore,

Muzrai Department.

Sir,

In submitting herewith for sanction an estimate amounting to Rs. 100/-, I have the honor to state that the estimate provides for (1) removing silt in the well attached to Sri Venkataramanaswamy temple in Devarajagudipalli village Dagepalli Taluk, and (2) for deepening another well near the locality where the annual Jatra is being held in connection with this institution.

2. I inspected the temple and the wells on the 28rd ultimo during the Taraladdy of the Taluk. The wells do not contain sufficient water in them. The annual Jatra will commence on the 13th instant, when there will ~~be~~ assemble a large concourse of people and a large number of cattle from different parts of the Province. Fees are also levied on cattle and shops. There is a great dearth of drinking water in this place and unless necessary convenience is afforded to the public in this respect, I fear the men and cattle that will assemble at the time of the Jatra will suffer very much during this hot season. As there was not sufficient time to obtain the sanction of Government, I have directed the Amildar to proceed with the work as per estimate.

3. Under these circumstances I request that you may be pleased to accord early sanction to the estimate. The cost may be met from the sum of Rs. 2404/- which is at the credit of the

the institution and which is now erected [illegible].

I have the honor to be,

Sir,

Your obedient servant,

Commissioner,
